

VISION INSIGHT

VISION INSIGHT

Compact Full HD Mini Dashcam
+ 1 Optional Secondary Camera

This compact full HD (1080p) mini dashcam is designed for both commercial and personal use. With its stylish new appearance and minimal obstruction to the driver's view, this 4G affordable dashcam ensures safety without compromising aesthetics.

Its easy installation, via the OBD port, and detachable second camera add flexibility and convenience for users, making it a cost-effective and reliable solution for fleet management.

Key features:

FULL HD
High-Resolution Video:
Records at 1080p/15fps (front) and 720p/15fps (detachable).

4G
Robust Connectivity:
Equipped with built-in 4G, Wi-Fi (2.4GHz, 802.11b/g/n) and GPS capabilities.

116°
Wide Field of View:
Front camera provides a 116° horizontal field of view.

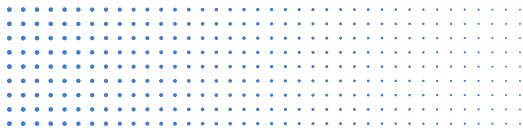

Comprehensive Sensor Support:
Integrated 6-axis G-sensor for impact, rollover, and other event detection.
